

Management of Change (M.O.C.) Planning and Coordination

**Long Beach, California
Client: Beta Offshore**

Beta Offshore requires assistance planning and coordinating their company-wide Management of Change (M.O.C.) process.

DPSI's scope of work includes:

- Prepare procedures to bring the company into regulatory compliance with the mandated Management of Change program
- Provide operator training on all forms and procedures required to be in compliance
- Provide file management for electronic and hard copies of all documents
- This program will enhance risk mitigation for operation on platforms
